

CHS SunPrairie has an exciting opportunity opening for the summer of 2018. We are looking for a **Crop Scout Intern at our Lignite, ND location**. You will work extensively with customers monitoring fields to identify weed, insect and disease problems. You must be detail oriented with excellent communication skills, both verbal and written.

You will:

- Assist production sales specialists with crop scouting, soil sampling and field agronomic problem solving.
- Use integrated pest management techniques to determine treatment thresholds.
- Generate written reports and present them to supervisor and/or customer
- Learn the features and benefits of all agronomy products and services
- Assist with sales and product delivery to customers.
- Learn to perform warehouse and agronomy plant operations.
- Learn how to maintain equipment and facility.
- Assist other departments as needed.

Basic Qualifications: (required)

- Currently enrolled in Ag Business, Crop Science or other Agriculture related degree program
- Proficient with Microsoft Office software

Preferred Qualifications: (desired)

- Agriculture experience or background
- Previous internship
